

LEARNING LOG

Audit Period 1 April 2007-31 March 2010

This learning log is intended to supplement the evidence contained in your CPD record sheets by providing a fuller overview of your continuing professional development. It will allow the auditor to take into account learning which may not have qualified for outcome credits.

Please:

- Enter the learning which is recorded on your CPD record sheets (including any record sheets you do not submit if you have more than 16 outcome credits), AND
- To the best of your ability, give details of all other professional learning activities undertaken in the audit period, even if you didn't complete a CPD sheet, and/or you were unable to assign outcome credits and/or you were unable to use your learning directly in your practice within the audit period.

Learning activities undertaken (e.g. courses attended, self-study programmes, research, journal articles read)	How did you decide to undertake this activity (e.g. identified in practice review, self assessment, customer enquiry, drug info enquiry, specific situation arising in pharmacy, interest in the topic, activity made available through College etc)	Date(s) of activity (Start to finish)	Did you use this learning directly in your practice over this period? (Yes/No)	If you completed a CPD Record Sheet for this activity how many Outcome Credits did you assign?
